

FOR IMMEDIATE RELEASE**REDILEARNING LEAD EXPERT LEAH M. KLUSCH
RECEIVES ACHCA 2011 EDUCATION AWARD****Ms. Klusch is a prominent nurse, operational expert and nurse educator.**

DELRAY BEACH, FL – RediLearning Corp is commending Leah M. Klusch, RN, BSN, FACHCA for her selection as the 2011 Education Award winner by the American College of Health Care Administrators (ACHCA). Ms. Klusch is the Founder and Executive Director of The Alliance Training Center, Alliance, OH, and a distinguished RediLearning *Expert*. The announcement of the annual selection was made by Marianna Kern Grachek, CNHA, CALA, FACHCA, President and CEO of the ACHCA.

“Leah Klusch has brought a wealth of knowledge and experience to our membership over the past year and years,” Ms. Grachek said, “and beyond that, her style and approach are a resounding addition to her expert presentations of crucial and ever more complex issues, materials and their regulatory context. With this annual award we recognize and celebrate her many contributions to ACHCA.”

The annual award recognizes an individual for their educational programs, seminars, or workshops that, because of their content, innovative approach, or other special components, has made an outstanding contribution to education in long term care.

Ms. Klusch is nationally well-known for her many group in-person training sessions conducted, throughout the year for a wide range of public and private audiences. She specializes in critical issues and time-sensitive training for Long Term Care providers, matters that weigh heavily on operations and CMS Medicare/Medicaid reimbursement. Every year thousands of professionals attend her Continuing Education trainings, earning credits, and exposing their facilities to her leadership in compliance and operational performance.

Since 2010, when Leah Klusch was attracted to become a member of RediLearning senior management, she has been a leading content *Expert*, co-developer and presenter of online-delivered Regulatory Specialty Curricula for Long Term Care professionals, including the introductory MDS 3.0 curricula released in the autumn of 2010. At this time, she is active in the co-development of additional course curricula to be released in 2011 for RediLearning, which is the exclusive online publisher of Leah Klusch’s training catalog.

“We are proud to have brought professionals of the caliber of Leah Klusch to our *Expert* team.” said RediLearning CEO, Michael Hemlepp, “By providing exceptional delivery technology expertise for our exclusive content, authored by top professionals in Long Term Care, and partnering with leaders such as Leah Klusch and the ACHCA, we believe RediLearning is bringing game-changing standards our industry.”

About the American College of Health Care Administrators (ACHCA)

Founded in 1962, ACHCA is the only professional association devoted solely to meeting the professional needs of today's long-term care administrator and executive. ACHCA's mission focuses on advancing leadership excellence in long term care through the provision of leadership education, promotion of professional advancement programs such as Fellowship and professional Certification, and facilitation of leadership development. ACHCA's diverse membership includes administrators across the continuum of long-term care and senior housing. For more information about ACHCA, call the National Office at (202) 536-5120 or visit www.achca.org

About The Alliance Training Center
